Light That Matters

Bells Family

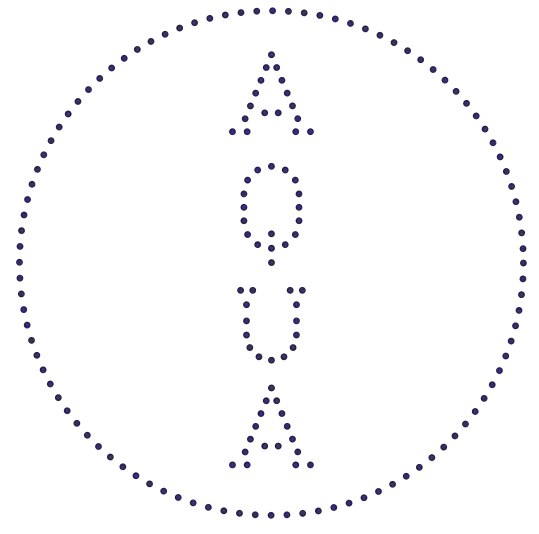

Heritage and evolution combine as we grow alongside
the next generation of design talent.

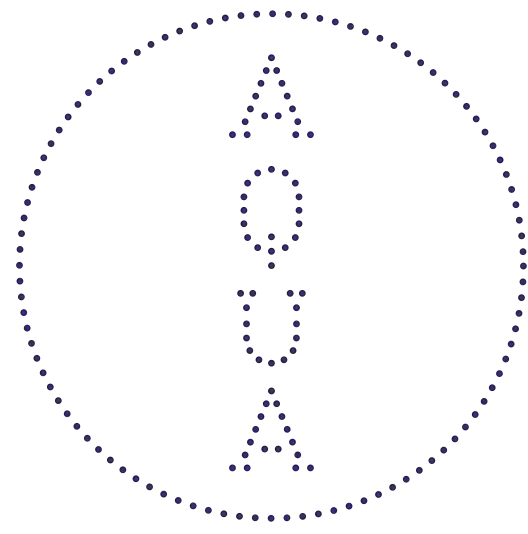

Bells is a collection of refined pendant lights and floor lamps designed by London-based designer Nir Meiri.

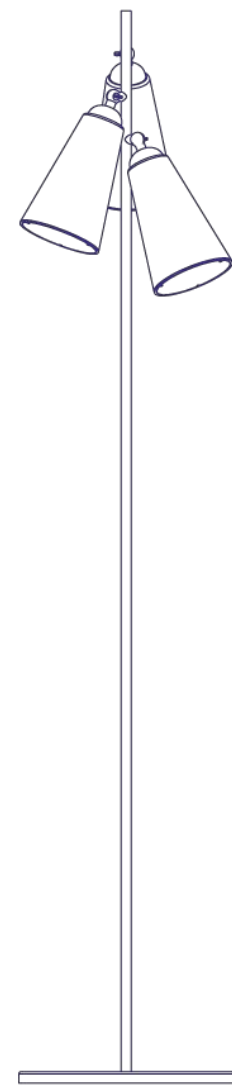

True to Aqua Creations' heritage, Bells is inspired by the natural world; reflecting the organic rise of climbing plants towards sunlight.

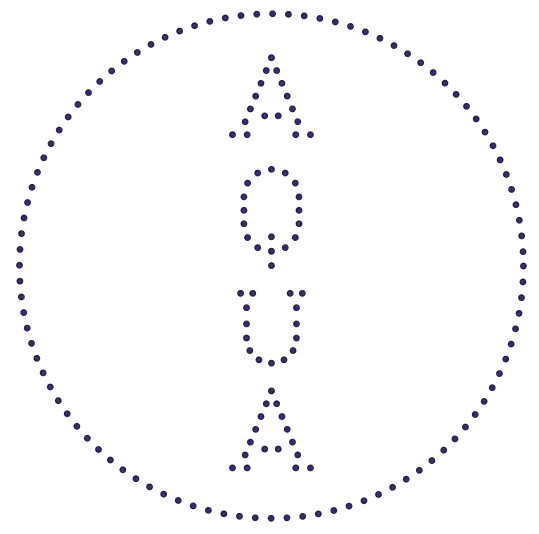

Bells Floor Lamp

The floor lamp is a staple of the Bells collection and is designed to be a statement living room piece. 3 adjustable cone lamp shades and effortless installation make it one of the most versatile offerings in the range. The Bells floor lamp reflects the upward reach of a growing flower, opening in the midday sun.
